

Quality Garage Plans and Additions from Roberts Brothers Construction  
Including Garage Apartments, Pole Barns, Garages with Lofts, Sheds, and more.

ATTACHED GARAGE

When choosing an Attached Garage as your solution, here are a few things to ask yourself prior to deciding the size & functionality.

- Will you use it to park cars?
- Will it become a large storage room or a workshop?
- Will you add a workbench to it?
- Will you need several electric outlets?
- Will you need a service door?
- Will you need windows or heating?

DETACHED GARAGE

For some homeowners a Detached Garage Addition is the ideal choice. We can help you with understanding the architecture of your home to determine if a detached addition is your best bet.

- Will it confine your view if it's detached?
- Will you add an Apartment overhead?
- Will you need electricity as these costs can be higher?
- Will you be looking to re sell your home in the near future?

GARAGE RENOVATIONS

If you have an existing Garage, we can help with renovations to redesign your space and offer more functionality.

- Roberts Brothers Construction can add to the usefulness of your current garage space with a simple renovation.
- Restore the worn area into a clean state including repainting the concrete to installing shelves, we can give you back the utility of a new garage.

GARAGE REMODELING

Sometimes remodeling your Garage is your best option. Roberts Brothers Construction can help with any Remodeling idea you have & can offer advice and input along the way.

- A Garage Remodeling is a great way to reorganize your Garage into something that gives you everything you need.
- Set up a tool and construction area, a pit to work on your car, or even an indoor play area for the kids.

GAME ROOM CONVERSIONS

Thinking about converting your Garage to a game room or apartment? Trust in Roberts Brothers to make the space what you want.

- Consider an entertainment or rec room, complete with heating and air conditioning, TV, couches, pool tables, etc.
- We can add Mother-In-Law Apartments overhead current Garages
- Motorcycle or Car enthusiast? We can help with the transformation into a Custom Mechanics Garage.
